ADRIÁN **SALAS**

Málaga (Spain) · (+34) 605 55 14 80

adri@salastroya.com· linkedin.com/in/adrisalas · github.com/adrisalas

I'm a student of Software Engineering at the University of Málaga (Spain). I have always loved to solve riddles, problems and puzzles. I can speak English (full-work proficiency) and Spanish (native tongue). I am used to learn new things self-taught quickly and I'm proactive.

EXPERIENCE

SEPTEMBER 2018 – NOW

PROGRAMMING TUTOR, SELF-EMPLOYEE

I teach fundamentals of programming in Python, C++ and Java. Also, I teach concurrent programming and MVC in Java.

EDUCATION

SEPTEMBER 2017 – JULY 2021

SOFTWARE ENGINEERING, UNIVERSIDAD DE MÁLAGA

I have obtained **two Honours** (maximum qualification). 30% of the **courses taken in English** (Data Structures, Algorithms, Databases, OOP…). In most of my university projects I have been the one in charge of **distributing work**, **organizing**, **taking decisions** and **exposing** presentations.

SKILLS

- Java, Java Swing, JavaFX, JSP
- .NET Framework (C#, LINQ, Windows Forms)
- SQL (MariaDB, Oracle, SQL Server, MySQL)
- HTML, CSS, JS, Bootstrap, JQuery
- UML 2.5 (MagicDraw, USEOCL, Papyrus)
- Node.js (Electron framework)

- C/C++ & Python
- JUnit, Mockito (TDD)
- Communication and Cognition
- Leadership (In University Projects)
- Git (Github, Git Bash)
- Clean Code

EXTRA INFO

- I have done several **extra courses outside the university** (Web development, Python, C++, Git…).
- I have collaborated in designing a database for the **NGO** ACOES (https://acoes.org/)
- I have read the books of **Clean Code** & **Clean Architecture** by Robert Martin
- I'm building my own website (www.salastroya.com) to keep my **portfolio** updated there.
- I'm used to collaborate with my brother (**Mechanical Engineer**) to do cool stuff.
- I have knowledge of **Robotics Engineer** as I have taken two university years of that Bachelor's
- I'm used to lead my university projects as I'm **highly organized**, with a **problem solver mind**, and good **communication** skills.
- Hobbies: read books, watch tv shows, play videogames, fix electronic devices.
- If you want to get more info or see my portfolio, send my an email (adri@salastroya.com)
